## A/UX: ae0 Interrupt Errors

Article Created: 19 October 1990

### Article Change History

-----  
08/31/92 - REVIEWED

- For technical accuracy.

### TOPIC -----

I am getting various ae0 interrupt errors a few minutes after system boot. NFS and BNET work fine until then.

### DISCUSSION -----

Try another slot or try another EtherTalk board. The errors indicate an EtherTalk hardware problem or connection problem.
