Macintosh II: Where To Find Info On The Monitor Shimmer Problem

This article last reviewed: 1 November 1988

Information regarding the Macintosh II monitor shimmer problem is in the "Apple Service Programs" binder in the "Product Notices: Monitors" section on pages 8.5.2 and 8.5.3. The actual adjustment procedure is in the "Apple Technical Procedures" binder (currently volume IV) in the "AppleColor RGB Monitor" section on page 3.7.
