Apple HD160 SC Drive: Seagate Model Number is 94221-209

This article last reviewed: 21 June 1990

TOPIC -----

I need information on the Apple HD160 SC hard disk drive mechanism.

What is the relationship between the CDC/Imprimis model number and (following Seagate's take-over of Imprimis) the new Seagate number?

DISCUSSION -----

Service Engineering provided us with the following information:

Imprimis 160MB Apple drive = Seagate model number: 94221-209

Seagate P/N are:

77748206 for Apple internal drive.

77748226 for Apple external drive
