## System 7: File Sharing and Desktop Items

Article Created: 5 March 1991

### Article Change History

-----  
09/04/92 - REVIEWED

- For technical accuracy.

### TOPIC -----

While accessing my system via file sharing, I don't see my desktop items.  
Where are they?

### DISCUSSION -----

The items can be found in a folder called "Desktop Folder". This folder appears in the root of the volume to which you are remotely connected.
