LaserDiscs: Three Companies that Press Custom Discs

Article Created: 29 October 1991

Article Reviewed/Updated: 29 November 1994

TOPIC -----

Please provide me with the names of several companies that press LaserDiscs.

DISCUSSION -----

We have information on three such companies:

- Pioneer Communication
- 3M Optical Recording
- Discronics

Each these companies makes sure that the source video material is in the proper format to achieve the desired results. They then master and press the LaserDiscs.

To locate a vendor's address and phone number, use the vendor name as a search string.
