## Apple Color Printer: Description (Discontinued)

Article Created: 6 January 1993

TOPIC -----

This article describes the Apple Color Printer.

DISCUSSION -----

The Apple Color Printer offers high-quality print resolution, speed, and color matching on a wide range of paper sizes and types, including 11x17-inch paper.

The Apple Color Printer is integrated with ColorSync color-matching software. And at 360 dots-per-inch (dpi) print resolution, the Apple Color Printer offers 44 percent higher resolution than traditional 300-dpi printers.

The print speed of the Apple Color Printer is faster than comparable color printers. Setup, use, and maintenance are simple. There's a separate cartridge for black ink, as well as for cyan, magenta, and yellow. So you can print with high-quality black ink and replace cartridges individually. Until an environmentally safe waterfast ink is developed for the Apple Color Printer, Apple will continue to use water-resistant ink.

With the Apple Color Printer, you can print on:

- Letter-size
- Legal-size
- 11x17-inch
- A4 and A3 paper
- Envelopes
- Coated stock for highest quality
- Transparencies
- Plain paper

The Apple Color Printer features a new print driver that gives you the ability to share printers across a network. And the Apple Color Printer comes with 64 TrueType fonts. It also supports Adobe Type 1 fonts when used in conjunction with Adobe Type Manager (ATM).

Product Features

- 
- Print quality
    - 360 dpi
    - 65 screen lines per inch
    - Integrated with ColorSync for accurate color matching
  - Ease of use
    - Fast, easy installation
    - Sealed, simple-to-replace ink cartridges
    - All print software easily installed
  - Versatility
    - Allows printing on envelopes, U.S. letter, U.S. legal, 11x17-inch, A4, and A3 paper sizes
    - Landscape- and portrait-formatted documents
    - Comes with 64 fonts
    - Works with most Macintosh graphics formats, including bitmap, PICT, and TIFF
  - Printer sharing
    - Can be shared by Macintosh users over a network (with password protection)

#### Ordering Information

-----

- Apple Color Printer Order No. B1029LL/A includes:
  - Pre-installed ink cartridges
  - Sample paper and transparencies
  - Power cord
  - User's guide
  - Sample files
  - Limited warranty statement
- Consumables
  - Black ink cartridge M6901G/A
  - Yellow ink cartridge M6902G/A
  - Magenta ink cartridge M6903G/A
  - Cyan ink cartridge M6904G/A
  - Letter-size coated paper T0546G/A
  - Legal-size coated paper T0548G/A
  - 11x17 coated paper T0549G/A
  - A4 coated paper T0545G/A
  - A3 coated paper T0547G/A
  - Letter-size transparency T0551G/A
  - A4 transparency T0550G/A
