## Apple Color Printer: Ink Cartridge Refills Available (5/94)

Article Created: 13 May 1994

TOPIC -----

I am having trouble locating the Apple Color Printer ink cartridges. Is there a another source for finding these cartridges, or a source for finding refills?

DISCUSSION -----

The Apple Color Printer ink cartridges are on backorder, that is why they are hard to find. However, Aspen Imaging does offer refill kits for the Apple Color Printer.

To locate a vendor's address and phone numbers, use the vendor name as the search string.
