ImageWriter: Spooling Available With QuickDraw GX (12/94)

Article Created: 5 January 1988

Article Reviewed/Updated: 7 December 1994

TOPIC -----

Is there a way to use background printing with an ImageWriter II printer?

DISCUSSION -----

With QuickDraw GX, you can use background printing on the entire ImageWriter series. This includes the ImageWriter, ImageWriter II, and ImageWriter LQ printers.

Non-QuickDraw GX printer drivers do not support background printing.

Article Change History:

07 Dec 1994 - Updated to include QuickDraw GX.

25 May 1994 - Updated with current information.
