Toner Cartridge & Recycling Instructions (6/96)

Article Created: 24 June 1996

TOPIC -----

The toner recycling instructions included with my toner cartridge suggest that Alaska and Hawaii residents call 800-776-2333 to obtain alternative transportation information. I live in one of these locations, what should I do?

DISCUSSION -----

The UPS shipping label included with the toner cartridge should be used, there is no need to use an alternate carrier.
